**Board Meeting 8/22/12 7PM Fremont Lake – Weed Survey**

Meeting opened at 7PM by Chair Gary Breuker. Attending; Gary Breuker, Eric Anderson, John Sella, Norm Goebel, Doug Nieboer & Norman Knorr. Absent; Nels Johnston, Lou Meeuwenberg & Dave Landheer.

**Weed Control** – The purpose of this meeting was to survey the weed problem on the Lake. We surveyed the lake from Capt. Gary's boat. We did notice populations of our primary concern of Eurasian Watermilfoil & Algae. However, the majority of the weeds on the surface were Wild Celery. Gary will contact Bre Ann Graybill of PLM on the status of the contract to evaluate the weed conditions & water quality. We expect our next meeting will be another survey with Bre Ann.

**Next Meeting** – Will be called by Gary.

Meeting adjourned after refreshments & Sunset      Norm Knorr – Secretary 8/27/12
