

4TH ANNUAL CHRIS CARIS MEMORIAL FISHING FOR KIDS

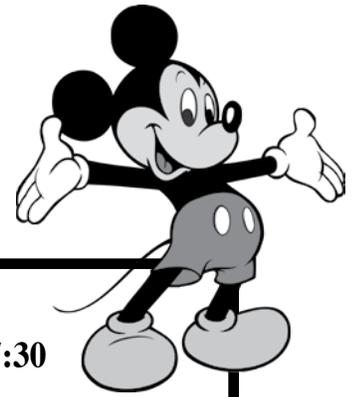

226 boys and girls attended the 3rd Annual Chris Caris Memorial-Fishing For Kids in 2010. 8 pontoon boat owners/property owners around Fremont Lake and residents of Fremont Lake RV Park volunteered to take the boys and girls fishing on Fremont Lake for approx. 1 1/2hrs. It was a good day of fishing for the boys and girls. We wish to thank everyone who, in many ways, have supported Chris' event for children throughout these past 3 yrs. This years event will on Wednesday, July 6.. A new set of children with their mentors from Fremont United Methodist Church will participate.

Thank you, again. Jeannie and Ted Caris and Family. (Jeannie will be at the Annual Meeting with pictures of last year & arranging for volunteers).

INDEPENDENCE DAY CELEBRATION SUNDAY, JULY 3RD, 2011

We're getting bigger & better at celebrating Independence Day with Spectacular Fireworks, Creative Boat Decorations with Enthusiastic Crews, & Patriotic Parties. The "Weather Scheduling Committee" has agreed to arrange the great weather we're expecting. Special Thanks to Eric Hanson & Scott Crandell for arranging the "Community Fireworks" that promise to be again spectacular & appreciated. These "Community Fireworks" are financed by donations from lake residents, community citizens & a \$500 Association contribution. You'll notice that the Membership Form asks for a donation. If you prefer to contribute direct, send your check to Fremont Fireworks Assoc. LLC, c/o Crandell Funeral Home, PO Box 148, Fremont. Your support is appreciated.

Thanks to the Van Boxel family for providing the "Launch Site". The entire lake also appreciated & enjoyed several spectacular Fireworks from Lake residents around the Lake last year. The "Rain Date" will be Monday, July 4.

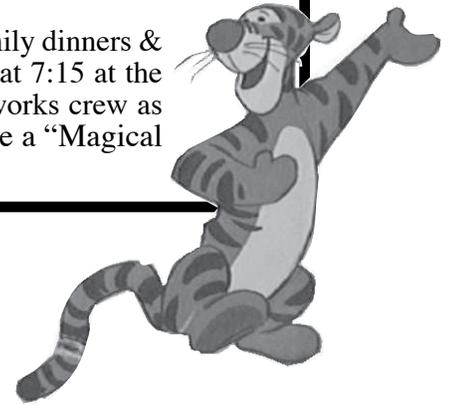

“ANYTHING DISNEY” BOAT PARADE STARTS @ 7:30

Our Boat Parade continues to swell in creativity & size. The Boat Parade will be on Sunday, July 3rd prior to the Fireworks (Rain date July 4th). We'll continue our practice of being “politically correct” as well as challenge your competitive spirit. To acknowledge societies current emphasis to “all get along” & that we're all winners, the prestigious “Participant Ribbon” will again be earned &/or awarded to the entire fleet. However, ribbons will also be awarded to the most creative &/or judge pleasing entries. Speaking of judges, we continue to look for judges of integrity & high moral character !! Please notify a Board Member with suggestions to fill this critical role.

Prior year's Theme & Family Winners; 08 Olympics / Cappel Family, 09 Honor the Flag / Morehouse Family, 10 Pirates of the Caribbean / Saii Family. This year's theme will be “Anything Disney”.

We're changing to a later start time this year to accommodate family dinners & better coordinate with the Fireworks parties. We will assemble at 7:15 at the Van Boxel Point to give the judges a preview & advise the fireworks crew as appropriate. The fleet will depart at 7:30 for what promises to be a “Magical Tour” around the Lake.
